**ACADEMIC OFFICE: ACADEMIC SUPPORT OFFICE**

**Subject:** Business School modules

---

The Business School no longer offers a full degree programme in Business on the Durham Campus. A number of modules are, however, offered for students on Combined Honours and Natural Sciences programmes and for students wishing to take other open modules outside their Board of Studies.

These modules can be found at the Faculty Handbook page (URL below) by selecting Economics, Finance and Business (Business) from the list of Departments and clicking 'Search for Modules'.
