

INTERNATIONAL FOUNDATION YEAR (Y001)

Programme offered at: Queen's Campus, Stockton.

Mode of study: this programme is available full-time and part-time.

LEVEL 0

1. The International Foundation Year consists of modules to the value of 120 credits at Level 0. Following satisfactory completion of the International Foundation Year a student is eligible for the award of an International Foundation Year Certificate.
2. The International Foundation Year may be taken by one year of full-time study or up to two years of part-time study. International Foundation Year modules are half-modules to the value of 10 credits each, or whole modules of 20 credits each.
3. To pass the International Foundation Year a student must study, be assessed in and pass the assessment of modules at Level 0 to the value of 120 credits in accordance with the lists below. Each 10-credit or 20-credit module must be passed with an overall mark of 40% at the first or second attempt.
4. A student who fails any of the Level 0 assessments, to a maximum of 120 credits, at the first attempt is allowed one further attempt to pass by resitting the failed assessment element(s) of the failed assessment component(s) of each failed module.
5. The Pass Lists issued following the examinations at the end of the academic year shall indicate students who are required to be re-examined. For each student the Board of Examiners concerned shall specify which modules have been failed, which module assessment element(s) must be re-examined, and the form of the resit assessment.
6. A student must make his/her first attempt at the assessment of a module during, or at the end of, the academic year in which the module was studied. The resit (without repeating the module itself) will be in the August/September following the first attempt (except for the Information Technology module which may be attempted earlier in June/July).
7. The Pass Lists for the Level 0 assessments in May/June and in August/September shall list the names of students who have satisfactorily completed their International Foundation Year.
