4. Before proceeding to Year 2, candidates are normally required to have passed all the taught modules at level 4 and to have passed the Research Proposal (Level 5). A candidate who fails to fulfil these requirements has the right of resubmission. If the resubmitted Research Proposal (Level 5) is also a fail, or the candidate chooses not to proceed to the doctoral thesis stage, the candidate shall be re-registered for the Research Proposal (Level 4) ([ECON40160](#)). Candidates who obtain a mark of 50% or more at Level 4 shall be awarded the degree of Master of Arts Finance Studies or Master of Arts Economics and Finance Studies or Master of Arts Management Studies.
5. Before proceeding to the Research Proposal (Level 5) candidates are normally required to have achieved 120 credits from their programme of taught modules at level 4 at the first attempt. Before proceeding to the Research Proposal (Level 4) candidates are normally required to have achieved 60 credits or more from their programme of taught modules at level 4 including the relevant module in Research Methods.
6. Candidates who fail to satisfy the requirements for the award of Master of Arts but who have achieved 120 credits from the taught modules at Level 4 shall be awarded the Postgraduate Diploma Finance Studies or Postgraduate Diploma Economics and Finance Studies or Postgraduate Diploma Management Studies as an exit qualification.
7. Candidates who fail to satisfy the requirements for the award of Postgraduate Diploma but who have achieved 60 credits from the taught modules at Level 4 shall be awarded the Postgraduate Certificate Finance Studies or Postgraduate Certificate Economics and Finance Studies or Postgraduate Certificate Management Studies as an exit qualification.
