- 5. Modes of assessment will include written examinations, coursework, group presentations and group written work
- 6. Candidates must normally pass core modules to the value of at least 60 credits before proceeding to the dissertation.
- 7. All module retakes shall normally take place at the next normal occasion except where specified in 8 below.
- 8. Candidates who have failed modules which are not required for progression to the dissertation may elect to be reassessed in those modules in the September following the first occasion of assessment. The re-examination period shall take place after the dissertation submission date.
- 9. Candidates who have failed modules which are required for progression to the dissertation may elect to be reassessed in no more than two of those modules in the September following the first occasion of assessment. The re-examination period shall take place after the dissertation submission date and therefore such candidates will not be unable to submit their dissertation until the next normal occasion.
- 10. All candidates must submit by no later than 4 September 2009, a dissertation of not more than 12,000 words including footnotes and endnotes, but excluding title page, contents page, acknowledgments, diagrams, tables, bibliography, references and appendices. This must be on a topic relevant to the particular MA programme for which they are registered.
