

BSc BIOMEDICAL SCIENCES WITH PLACEMENT YEAR (B941)

Programme offered at: Queen's Campus, Stockton.

Mode of study: this programme is available full-time.

LEVEL 1 (Certificate)

1-2	Cells and Tissues	BISS1222	40
3	Biochemistry	BISS1271	20
4	Molecular Biology	BISS1241	20
5	Systems Physiology	BISS1251	20
6	Microbiology	BISS1261	20

LEVEL 2 (Diploma)

1	Laboratory Pathology	BISS2231	20
2	Clinical Endocrinology and Biochemistry	BISS2211	20
3	Haematology and Immunology	BISS2251	20
4	Pharmacology	BISS2141	20
5	Metabolic Biochemistry and Molecular Genetics	BISS2241	20
6	Human and Applied Physiology	BISS2221	20

YEAR 3 (Industrial Placement)

During the third year students must undertake not less than 40 weeks in industry, commerce, in a research institution or a hospital engaged in placement work approved by the Board of Management for the Biomedical Sciences degree programme. Student progress will be assessed by:

a placement visit to the host laboratory;

a written report (max. 4000 words) of work undertaken during the placement. This is to be submitted no later than the last day before the beginning of the Christmas Vacation.

These assessments do not contribute to the marks used to determine the award but successful completion is required to qualify for the BSc (Hons) degree in Biomedical Sciences with Placement Year.

LEVEL 3 (Degree)

1-2	Infection and Immunity	BISS3192	40
3-4	Biology of Disease	BISS3212	40
5-6	EITHER Project	BISS3182	40
	OR Laboratory Project	BISS3162	40

Accreditation: this programme is accredited by the Institute of Biomedical Science for five cohorts from October 2005 until October 2009.
