5. Before proceeding to the dissertation, candidates are normally required to have passed core modules to the value of at least 60 credits.
6. All module retakes shall normally take place at the next normal occasion except where specified in 9 and 10 below.
7. Candidates who have failed modules which are assessed in the January/February assessment period may elect to be re-assessed in those modules in the following May/June assessment period.
8. Candidates who have failed modules which are assessed in the May/June assessment period and who have the right to a resit, may elect to be re-assessed in the following August assessment period. The outcome of the re-assessment will not be confirmed until after the dissertation submission date and therefore candidates who have failed modules which are required for progression to the dissertation, but meet the progression requirements upon re-assessment, shall be unable to submit their dissertation until the next normal occasion.
