These programme regulations should be read in conjunction with the University's <u>core regulations for</u> <u>postgraduate programmes</u>.

Postgraduate Certificate Health Research Methods (B9K214)

- 1. This programme is available at Queen's Campus Stockton in a part-time (10 months) mode of study.
- 2. The admissions criteria for these programmes are a 2.1 Hons degree or international equivalent OR professional qualification or two years relevant work-based experience. A pass at Grade C or above in mathematics at GCSE level or equivalent is also required. Applicants without a degree will be required to demonstrate sufficient academic capability to satisfactorily complete their programme. This may entail submission of a portfolio of work or a 2,000 word essay on a nominated topic; students without a Grade C pass at GCSE level or equivalent will be required to complete a mathematical exercise.
- 3. Candidates whose first language is not English will normally be required to possess recent (within two years) English Language test scores of 7.0 or above in IELTS (with a writing band of at least 6.5) or a minimum overall score in the paper-based TOEFL of 600 (with a TWE of at least 5.0) or a minimum overall score in the TOEFL IBT (internet based test) of 100 (with a minimum score of 26 in all elements). Please note that TOEFL is NOT normally accepted without additional information being provided on the scores obtained in the supplementary tests: the Test of Written English (TWE) and the Test of Spoken English (TSE). Alternatively the Cambridge Certificate of Proficiency of English with grades of A, B and C is also acceptable. Please note you may also be recommended to attend an Intensive English Language pre-sessional course prior to any commencement of study. We do not normally accept English Language certificates from any other institution.
- 4. Candidates shall study and be assessed in the following modules:

		Credit value
Quantitative Health Research Methods	<u>HEAS42930</u>	30
Qualitative Health Research Methods	<u>HEAS42830</u>	30
