**BA COMBINED HONOURS IN SOCIAL SCIENCES (LMV0)**  
**BA COMBINED HONOURS IN SOCIAL SCIENCES (WITH YEAR ABROAD)**  
**(LMVA)**

1. This programme is available at Durham City, in full-time and part-time modes of study.
2. Candidates may take up to 180 credits from outside the list of modules that are available for the BA Combined Honours in Social Sciences over Levels 1, 2, and 3 together.

Where students have taken modules listed for both Combined Honours in Arts and Combined Honours in Social Sciences, the title of their degrees shall be determined by the Director of Combined Honours or by his or her nominee, with reference to the research project (a dissertation or equivalent module) undertaken at Level 3, the subjects studied over Levels 2 and 3, and the balance of credits taken from each of the programmes over Levels 1, 2, and 3.

3. The degree certificate issued to successful students shall list all subjects in which they have taken at least 40 credits over Levels 2 and 3 together.

**Level 1 (Certificate)**

4. Candidates shall also study and be assessed in Level 1 modules to the value of 120 credits from at least two and no more than four subjects, chosen from the lists given below. No more than 60 credits may be chosen from any one subject. Students may take up to 60 credits from outside the list of modules that are available for the BA Combined Honours in Social Sciences.

**Level 2 (Diploma)**

5. Candidates shall study and be assessed in Level 2 modules from at least two and no more than four subjects, to a maximum of 80 credits per subject, chosen from the lists given below. In accordance with the core regulations, candidates may take no more than 30 credits of Level 1 modules during Level 2.

**Year Abroad**

6. Students who intend to take Level 3 modules offered by the School of Modern Languages and Cultures are required to spend a period of residence in a country, or in several countries, where each of the languages which they intend to study at Level 3 are spoken. Full-time candidates are required to spend no less than 7 months in a country, or in several countries, where each of the languages which they intend to study at Level 3 are spoken. Part-time candidates are required to spend at least 4 weeks in each country whose language they wish to study at Level 3. These 4 weeks may be spread over the duration of the programme.
7. Arrangements for study abroad must be deemed acceptable by the Director of Combined Honours or by his or her nominee in consultation with the departments concerned.
8. During the course of their time abroad, students will complete a task, related to residence abroad, for each of the languages they intend to study at Level 3. The tasks form the basis of an oral examination, undertaken at the start of the candidate's final year, the marks of which are included in the Level 3 module in the appropriate language. Part-time candidates will be assessed at the start of the year in which the Level 3 language module is taken.

### Level 3 (Degree)

9. Candidates shall study and be assessed in Level 3 modules from at least two and no more than three subjects, to a maximum of 80 credits per subject, chosen from the list given below. In accordance with the core regulations, candidates may take no more than 30 credits of Level 2 modules during Level 3. Appropriate credit-bearing language modules from the University's Centre for Foreign Language Study may be taken during Level 3, but only if the combined total of language modules and Level 2 modules taken does not exceed 30 credits.
10. Candidates are required to undertake one research project (a dissertation or equivalent module) in a subject in the Arts, Humanities, or Social Sciences, approved by the Director of Combined Honours or by his or her nominee.
