The dissertation (one from List B above) will involve detailed study of a particular aspect of Medieval or Early Modern history, literature, society or culture, and will preferably, though not necessarily, adopt an interdisciplinary approach. The subject and the title of the dissertation will be determined by the student and the lead supervisor. The title of the dissertation and the allocation of supervisor(s) will be approved by the Course Director who will be responsible for determining the deadline for approval of the dissertation title. The supervision procedure will follow the regulations specified in the MA programme of the respective department of choice.
