## MSci Geography (F802)

### MSci Geography with Year Abroad (F804)

1. This programme is available at Durham City, in a full-time mode of study.
2. \* From October 2018, entry to the four-year MSci (Geog) degree programme is available by transfer from the BSc (Geog) degree programme only. Transfer is based on application in Level 2 of the BSc programme and places are allocated on a competitive basis, subject to the agreed target of course places available. The September Board of Examiners in Geography will rank Level 2 weighted mean results for the cohort of students that applied to transfer to the programme earlier in Level 2. Transfer between programmes is not an entitlement, and is decided by the Board of Examiners in Geography.
3. \* The MSci (Geog) degree programme will be withdrawn following the 2020-2021 academic year. The final cohort of students are expected to graduate from the F802 and F804 programmes in June 2021. Transfers from the BSc Geography (F800) programme or the BSc Geography with Year Abroad (F803) to the MSci Geography (F802) or MSci Geography with Year Abroad (F804) programmes will only be considered for students with a forecast F802 and F804 graduation date of June 2021 or before.
