Assessment, progression and award

5. If a candidate fails a module he/she may be given an opportunity to resit the relevant assessment(s) before the end of the academic year at a time to be determined by the Department.
6. Students registered for the Masters degree who have achieved a mark of at least 50% on modules carrying at least 120 credits, and on such individual modules as are indicated in the Special Regulations, are eligible for the award of Postgraduate Diploma. A Postgraduate Diploma "with Distinction" will be awarded to students who achieve an average mark of at least 70% on modules carrying at least 120 credits and a Postgraduate Diploma "with Merit" to those who achieve an average mark of 60%. Students shall normally proceed to this award only after any opportunity for re-examination at Masters level has been exhausted.
7. Students registered for the Masters degree who have achieved a mark of at least 50% on modules carrying at least 60 credits, and on such individual modules as are indicated in the Special Regulations, are eligible for the award of Postgraduate Certificate. A Postgraduate Certificate "with Distinction" will be awarded to students who achieve an overall average mark of at least 70% across all the modules taken, and a Postgraduate Certificate "with Merit" to those who achieve an average mark of 60%. Students shall normally proceed to this award only after any opportunity for re-examination at Masters level has been exhausted.
8. Modules Marked with a ~ must be passed at 50% or above; a mark of 40-49% cannot be compensated.
