### **Assessment, progression and award**

5. Candidates registered for the MA Research Methods who are in receipt of funding under the ESRC 1+3 Scheme will be considered for subsequent registration for the degree of PhD subject to successful completion of the MA programme and the meeting of all other ESRC requirements
6. If a candidate fails a module they may be given an opportunity to resit the relevant assessment(s) before the end of the academic year at a time to be determined by the Department
7. Not all modules in LIST A or List B will necessarily be available in any one year
8. † Candidates with prior knowledge and understanding at an appropriate level (e.g. advanced undergraduate or equivalent) may take an alternative 15 credits from list B instead of EITHER (not both) modules marked †. If students do not take [SGIA49915](#) Quantitative Methods and Analysis, the alternative 15 credit module MUST be quantitative; if students do not take the module [SOI58815](#) Qualitative Methods and Analysis, the alternative 15 credit module MUST be qualitative.
