

Durham University Faculty Handbook Online

These programme regulations should be read in conjunction with the University's <u>core regulations for undergraduate programmes</u>, and the <u>marking and classification conventions for undergraduate programmes</u>.

BSc Psychology (C800); BSc Psychology (With Year Abroad) (C801); BSc Psychology (with Placement) (C806)

- 1. This programme is available at Durham City, in a full-time mode of study.
- 2. The BSc Psychology with Year Abroad (C801) and BSc Psychology with Placement (C806) programmes are only available to students admitted to the BSc Psychology (C800) programme.

Level 1 (Certificate)

3. Candidates shall study and be assessed in the following modules:

,		Credit value
Classic Papers: A Tutorial Introduction to Psychological Science	PSYC1061	20
Introduction to Psychological Research	PSYC1062	40
Introduction to Psychology I: Cognitive and Biological Psychology	PSYC1071	20
Introduction to Psychology II: Developmental and Social	PSYC1081	20
Psychology		

4. Candidates shall also study and be assessed in modules to the value of 20 credits from List A:

List A:		Credit value
Careers in Psychology	PSYC1101	20
OR Level 1 Modules up to the value of 20 credits from another		
board of studies (including appropriate credit-bearing language		
modules offered by the University's Centre for Foreign Language		
Study)		

Level 2 (Diploma)

5. Candidates shall study and be assessed in the following modules:

•		Credit value
Cognitive and Biological Psychology	PSYC2241	20
Social and Developmental Psychology	PSYC2271	20
Differential and Clinical Psychology	PSYC2251	20
Contemporary & Conceptual Issues in Psychology	PSYC2121	20
Advanced Research Methods and Statistics ~ #	<u>PSYC2232</u>	40

Year 3 (Year Abroad)

- **6.** Students will undertake an approved placement in an overseas university taking a course of study chosen in consultation with the programme director and the host institution.
- 7. Students whom the Board of Examiners deems to have made satisfactory progress on the year abroad, judged by reference to each student's learning agreement, will continue to Level 3 of the BSc Psychology (with Year Abroad) (C801) programme. Students who have not made satisfactory progress on the year abroad will not be permitted to continue on the BSc Psychology (with Year Abroad) (C801) programme, but must instead proceed to the final year of the BSc Psychology (C800) programme

Year 3 (Placement)

- **8.** Students will undertake an approved placement taking a course of study chosen in consultation with the programme director and the host institution.
- 9. Students whom the Board of Examiners deems to have made satisfactory progress on the placement, judged by reference to each student's learning agreement, will continue to Level 3 of the BSc Psychology (with Placement) (C806) programme. Students who have not made satisfactory progress on the year abroad will not be permitted to continue on the BSc Psychology (with Placement) (C806) programme, but must instead proceed to the final year of the BSc Psychology (C800) programme.

Level 3 (Degree)

10. Candidates shall study and be assessed in the following modules:

Credit value

Psychology Dissertation ~

PSYC3102

40

11. Candidates shall also study and be assessed on a total of 80 credits of which up to 3 modules may be from list B, and the remaining credits from list C:

List B:		Credit value
Active vision: Eye movements from theory to application	PSYC3827	10
Clinical Neuropsychology ^	PSYC3411	20
Psychology of Equality, Diversity and Inclusivity (EDI)	PSYC3767	10
Emotion and Social Perception *	PSYC3401	20

Assessment, progression and award

- 12. Modules marked with the ^ symbol form excluded combinations. The following combination of module pairs are not allowed:
 - a. PSYC3621 Evolution, Culture and Behaviour in Humans and Other Primates and PSYC3677 Neurodevelopmental Diversity;
 - b. PSYC3557 Criminological Psychology and PSYC3181 The Visual Brain;

- c. PSYC3727 Eating Disorders and PSYC3697 Statistical Modelling;
- d. PSYC3617 Sport and Exercise Psychology and PSYC3411 Clinical Neuropsychology;
- e. PSYC3367 Fallacies and Biases: Social Cognitive Perspectives and PSYC3337 The Multisensory Body;
- f. PSYC3717 Current Issues in Mental Health and PSYC3181 The Visual Brain;
- g. PSYC3297 Neuropsychology of Amnesia and PSYC3621 Evolution, Culture and Behaviour in Humans and Other Primates;
- h. PSYC3657 Environmental Psychology and Sustainability and PSYC3411 Clinical Neuropsychology.
- 13. Modules marked with the # symbol must be passed at 40% or above in order to progress to the next level of study.
- 14. Modules marked with the \sim symbol must be passed at 40% or above for the award of an honours degree. A mark of 30-39% cannot be compensated.
- 15. Modules marked with the * symbol are not available in 2023-24.
- 16. Not all the modules in List B will necessarily be available in any one year.

Year Abroad

- 17. The BSc Psychology with Year Abroad (C801) programme is only available to students admitted to the BSc Psychology (C800) programme.
- 18. Candidates wishing to transfer to BSc Psychology (with Year Abroad) (C801) must:
 - a. have successfully completed BSc Psychology (C800) Level 1 and progressed to Level 2 of the programme;
 - b. during the first term of Level 2 study, apply to the Board of Studies in Psychology to be admitted to the BSc Psychology (with Year Abroad) (C801) and have their application approved by the Chair of the Board of Studies in Psychology;
 - c. successfully complete Level 2 of the BSc Psychology (C800) so as to be eligible to progress to Level 3 of the BSc Psychology (C800) programme.

Placement

- 19. The BSc Psychology with Placement (C806) programme is only available to students admitted to the BSc Psychology (C800) programme.
- 20. Candidates wishing to transfer to BSc Psychology (with Placement) (C806) must:
 - have successfully completed BSc Psychology (C800) Level 1 and progressed to Level 2 of the programme;
 - during the first term of Level 2 study, apply to the Board of Studies in Psychology to be admitted to the BSc Psychology (with Placement) (C806) and have their application approved by the Chair of the Board of Studies in Psychology;
 - c. successfully complete Level 2 of the BSc Psychology (C800) so as to be eligible to progress to Level 3 of the BSc Psychology (C800) programme.

Professional accreditation

- 21. This programme is accredited on an ongoing basis from the 2012-13 intake as conferring eligibility for the Graduate Basis for Chartered Membership of the British Psychological Society. Students entering in and after October 2006 need to achieve a minimum of a second class honours degree to gain eligibility.
- 22. The empirical project (PSYC3102 Psychology Dissertation) must be passed in order to achieve Graduate Basis for Chartered membership.
- 23. A minimum of a second class honours degree is required to gain eligibility for Graduate Basis for Chartered membership.
