|--|-----------|--------------|
| Current Themes in Human Bioarchaeology | ARCH51830 | 30           |
| Isotopic and Biomolecular Archaeology  | ARCH41530 | 30           |
| Research Topics in Archaeology         | ARCH52730 | 30           |

## Assessment, progression and award

- 4. All module choices should be approved by the course director.
- 5. If a candidate fails a module they may be given an opportunity to resit the relevant assessment(s) before the end of the academic year at a time to be determined by the Department.
- 6. Students registered for the Masters degree who have achieved a mark of at least 50% on modules carrying at least 120 credits, and on such individual modules as are indicated in the Special Regulations, are eligible for the award of Postgraduate Diploma. A Postgraduate Diploma "with Distinction" will be awarded to students who achieve an average mark of at least 70% on modules carrying at least 120 credits and a Postgraduate Diploma "with Merit" to those who achieve an average mark of 60%. Students shall normally proceed to this award only after any opportunity for re-examination at Masters level has been exhausted.
- 7. Students registered for the Masters degree who have achieved a mark of at least 50% on modules carrying at least 60 credits, and on such individual modules as are indicated in the Special Regulations, are eligible for the award of Postgraduate Certificate. A Postgraduate Certificate "with Distinction" will be awarded to students who achieve an overall average mark of at least 70% across all the modules taken, and a Postgraduate Certificate "with Merit" to those who achieve an average mark of 60%. Students shall normally proceed to this award only after any opportunity for re-examination at Masters level has been exhausted.
- 8. Modules Marked with a ~ must be passed at 50% or above; a mark of 40-49% cannot be compensated.
