11. Modules marked with the # symbol must be passed at 40% or above in order to progress to the next level of study.

Year Abroad/Placement

12. Students admitted to the BSc Mathematics (G100) are able to apply to transfer to the BSc Mathematics (with Year Abroad/Placement) programme (G109/G108). Students undertaking the BSc Mathematics (with Year Abroad) programme (G109) will undertake an approved exchange in an overseas university taking a course of study chosen in consultation with the programme director and the host institution. Students undertaking the BSc Mathematics (Placement) programme (G108) will undertake an approved work or training placement in consultation with the programme director and placement provider.
13. Students who the Board of Examiners for Mathematics deem to have made satisfactory progress on the year abroad/placement will continue to Level 3 of the BSc Mathematics (with Year Abroad/Placement) (G109/G108). Students who have not made satisfactory progress on the year abroad/placement will not be permitted to continue on the BSc Mathematics (with Year Abroad/Placement) (G109/G108) programme, but must instead proceed to Level 3 of the BSc Mathematics (G100) programme.
