A credit-bearing language module up to the value of 20 credits offered by the Centre for Foreign Language Studies		20

### **Assessment, progression and award**

6. Modules marked with a ~ must be passed at 50% or above for the award of an honours degree. A mark of 40 – 49% cannot be compensated.
7. Modules marked with a \* are not available in 2025/26.
8. No more than 75 credits may normally be undertaken in each of Term 1 and Term 2.

9. There will be an assessment period in January/February for modules that are delivered in Term 1.
10. Candidates who have failed modules which are assessed in the January/February and/or May/June assessment period shall normally be required to resit all failed modules in the following August assessment period. Candidates whose failed modules are worth 30 or more credits may however elect to defer the submission of their dissertation until January of the following year.
11. Candidates must submit a dissertation of not more than 12,000 words. Candidates who fail the dissertation on first submission in September may elect to resubmit in the following January/February as an alternative to the next normal occasion.
12. Modules up to the value of 15 credits may be compensated in order to achieve the award of MSc Accounting, Postgraduate Diploma Accounting or Postgraduate Certificate Accounting provided a mark of not less than 40% has been achieved in the module to be compensated, and the overall average mark for all the modules taken, including the module to be compensated, is at least 50%.
13. Candidates who select a CFLS credit-bearing module must select 185 credits in total.
