### **Assessment, progression and award**

5. Candidates registered for the **MA Interdisciplinary Research Methods** who are in receipt of funding under the ESRC 1+3 Scheme will be considered for subsequent registration for the degree of PhD subject to successful completion of the MA programme and the meeting of all other ESRC requirements.
6. †Candidates with prior knowledge and understanding at an appropriate level (e.g. advanced undergraduate or equivalent) may take an alternative 15 credits from List A instead of EITHER (not both) modules marked†. If students do not take SGIA 49915 Quantitative Methods and Analysis, the alternative 15 credit module MUST be quantitative; if students do not take SOCI58815 Qualitative Methods and Analysis, the alternative 15 credit module MUST be qualitative.
7. Modules marked with ~ must be passed at 50% or above; a mark of 40-49% cannot be compensated.
8. Modules marked with \* are not available in 2025/2026.
9. ^ Optional modules may vary from year to year based on the development of new modules, removal of previously taught modules, and/or teaching capacity.
