5. As part of the programme, students are required to take two intensive preparatory courses during the induction week. The objective of the two courses is to offer students an introduction to the basics of statistics and mathematics and the fundamentals of UK law. The two courses are not assessed formally and do not carry credits. However, students are required to attend them.

<b>List C:</b>		<b>Credit value</b>
Introduction to Statistics and Mathematics	FINN	0
Introduction to the UK Legal System	LAW	0

### **Assessment, progression and award**

6. Modules marked with ~ must be passed at 50% or above; a mark of 40-49% cannot be compensated.
7. In the Dissertation in Law and Finance students can elect to write on any topic covered during the degree, whether it is a law or a finance topic. Students can elect to write their dissertation under the supervision of the Law School or the Department of Finance.
8. Optional modules are subject to availability and timetable compatibility. Not all of the optional modules will run every year.
