Assessment, progression and award

6. Candidates who take a mixture of 10 and 15-credit modules in their programme must take at least the minimum number of credits required for the qualification for which he/she is registered. In some cases it may be necessary to take slightly more credits than the minimum number to accommodate a mixture of module valencies

7. Candidates can take up to 30 credits worth of modules from another Department to replace 30 credits of optional modules from List B. However, candidates must get approval for their choices of module from both the chosen Department and from the School of Education.
8. If a candidate fails a module they may be given an opportunity to resit the relevant examination(s) before the end of the academic year at a time to be determined by the Board of Examiners.
9. In accordance with the core regulations, students may exit the programme with the following lower awards: Postgraduate Certificate in Professional Studies in Education (60 credits); Postgraduate Diploma in Professional Studies in Education (120 credits).
10. The use of Generative Artificial Intelligence on summative assessment is prohibited unless specifically allowed via the module outline.
11. Modules marked with ~ must be passed at 50% or above; a mark of 40-49% cannot be compensated.
12. Modules marked * are not available in 2025-2026
13. The department retains the right to withdraw modules if minimum viable numbers for student experience are not met.
