Assessment, progression and award

5. There will be an assessment period in January/February for modules that are delivered in Term 1.
6. Candidates who have failed modules which are assessed in the January/February and/or May/June assessment period shall normally be required to resit all failed modules in the following August

assessment period. Candidates whose failed modules are worth 30 or more credits may however elect to defer the submission of their dissertation until January of the following year.

7. No more than 75 credits may normally be undertaken in each of Term 1 and Term 2.
8. Candidates must submit a dissertation of not more than 12,000 words. Candidates who fail the dissertation on first submission in September may elect to resubmit in the following January/February as an alternative to the next normal occasion.
9. Modules marked with a ~ must be passed at 50% or above; a mark of 40-49% cannot be compensated.
10. Modules marked with a * are not available in 2026-27.

Certificate in Engagement with Practice in Finance

11. Students will have the opportunity to complete the Certificate in Engagement with Practice in Finance throughout the course, in which students will be assessed. This assessment does not contribute to the marks used to determine the award of degree. On completion of the Certificate in Engagement with Practice in Finance it will be included on the students' transcript.
